Patient Information on Data Protection (GDPR)

Dear Patient,

The protection of your personal data is important to us. Under the EU General Data Protection Regulation (GDPR), we are obliged to inform you for what purpose our practice collects, stores, or forwards data. You will also find information about your data protection rights.

1. Responsibility for Data Processing
You can reach our Data Protection Officer at:
Name: Gina Ringst
Contact details (phone/email): 02151-607770 / krefeld@kfo-engelbert.de

2. Purpose of Data Processing
Data processing is carried out due to legal requirements in order to fulfill the treatment contract between you and your doctor and the associated obligations.

For this purpose, we process your personal data, particularly your health data. This includes medical histories, diagnoses, therapy suggestions, and findings that we or other doctors collect. Other doctors or psychotherapists treating you may also provide us with data (e.g. referral letters, X-rays).

The collection of health data is a prerequisite for your treatment. If the necessary information is not provided, careful treatment cannot be guaranteed.

3. Recipients of Your Data
We only transmit your personal data to third parties if this is legally permitted or if you have consented.
Recipients may include other doctors/psychotherapists, medical associations, health insurance companies, the Medical Service of Health Insurance, medical chambers, and private billing offices.
The transmission primarily serves billing purposes, clarification of medical issues, and insurance-related matters. In individual cases, data may be transmitted to other authorized recipients.

4. Storage of Your Data
We store your personal data only as long as necessary for treatment.
Due to legal requirements, we must keep this data for at least 10 years after the end of treatment. In some cases, longer retention periods apply, for example, 30 years for X-ray records according to Section 28(3) of the German X-ray Ordinance.

You have the right to access your personal data. You can also request the correction of inaccurate data.

5. Your Rights
In addition, you may, under certain circumstances, have the right to deletion of data, restriction of processing, and data portability.
The processing of your data is based on legal regulations. Only in exceptional cases do we need your consent. In such cases, you have the right to withdraw your consent for future processing.

You also have the right to lodge a complaint with the supervisory authority for data protection if you believe that your personal data is not being processed lawfully.

6. Legal Basis
The legal basis for the processing of your data is Article 9(2)(h) GDPR in conjunction with Section 22(1)(b) of the German Federal Data Protection Act.

If you have any questions, please feel free to contact us.
